

# Pie in the Face

## the details

#SquashHunger with ...  
**A DIFFERENT KIND OF FOOD FIGHT**

- Choose 3-5 people in your building who, if deemed the winner, are willing to get a pie in the face.
- Set out one food bin or box per person with their mug on the poster. Assign a member of the staff to receive all cash donations, with votes, and store the money securely.
- Encourage students and staff to participate by designating their cash donations and placing their food in the bin of the person they would most like to see get a pie in the face.
- **1 lb of food = 1 vote**
- **\$1 = 5 votes**
- The nominee with the most votes, will receive a pie in the face (whipped cream in a pie tin or equivalent, no frozen pies - we don't want injuries). In the event of a tie, the tied top vote getters will receive pies in the face.
- Upload your progress throughout the month to social media (Facebook, Instagram, Twitter) and using hashtags #360PieInTheFace, #SquashHunger, and #MarchCampaign.
- Gather the school and record the big event!
- The school with the most total votes will be featured in a special video, potentially aired on the local news!
